Track

Artificial indoor ice surface of 60 x 30 m. Standard track of 111,12m by the lap with measuring curves of 8m radius. Four (4) other tracks will be laid out with are moved 1 m from the standard track. For all tracks, one finishing line will be used. The starting line will be moved accordingly.

CONDITIONS OF CONTEST

The competition will be held on a heat processing system **on time in the heats**, so that all skaters will proceed until finals. In case of too many skaters, system will change. Seeding and drawing according to the Belgian regulations. All skaters must wear safety equipment as mentioned in the ISU regulations rule 295

PENALTIES

In case of a penalty, the skater will qualify for a lower final and the fastest race-winner of the lower group will replace this skater in the next final. For a penalty in a final the skater will be ranked last in this final and 1 point will be subtracted from the number of competition points.

POINTS

Points will be given in all finals.

A Final: 25-23-22-21-...

B Final: 15-13-12-11-... C Final: 5-3-2-1

Winner of the individual competition is the skater who has attained the highest total of points in finals after the two distances. In case of a tie on points the skater who won the longest distance will prevail.

AWARDS

Awards will be given to the first three places in each category on the final ranking of this competition. For the groups E and F every skater will receive a reward.

INSURANCE RESPONSABILITY

All participants are supposed to be covered by their own national insurance.
T.N.T. can not be held responsible for accidents during the competition.

NOTE The above mentioned special conditions may be altered at any time by the organising club. However the alterations must be in accordance to the Belgian standing regulations.

Meals are available in the cafeteria of the ice rink. You will receive information about this later by a separate mail. You have to make reservations ahead of the competition
