PROGRAM AND RACING FORMAT COULD CHANGE DEPENDING ON THE NUMBER OF ENTRIES.

Qualification

- Make-up of the first qualifying round of each of the first individual distance (eg. 1500m #1) will be based on the skater's Distance World Ranking at the end of the 2022/2023 world cup season; athletes without a 2022/2023 world ranking will then be seeded according to their best times on each distance skated in season 2021/2022 or later. The make-up of the first qualifying round of the second run of individual distances (eg. 1500m #2) will be based on the distance classification of the first run (eg. 1500m #1).
- Final results from each distance will be added to determine a combined distance classification. Points will be awarded according to World Cup Points system (100, 80, 70, etc.)

Medical assistance

Doctor and paramedical personnel will be present on competition days. An ambulance will be on standby on site in case of any emergency.

Medical Insurance

It is the sole responsibility of each Member to ensure or provide medical and accident insurance for their athletes. Proof of such may be requested by the Organizing Committee. See I.S.U. Rule 119.

Liability

In accordance with I.S.U. Rule 119, the Organizing Committee assumes no responsibility with respect to medical, bodily or personal injury or property loss or damage sustained or caused in connection with this competition.
