

11th edition

Invitation & announcement

Oberstdorf Shorttrack Summercamp

30 July - 6 August 2022

From 30 July-6 August 2022 the 11th edition of the Oberstdorf Shorttrack Summercamp is held in Oberstdorf-Germany. There will be Ice training every evening and on 3 days also in the morning. Besides this a Welcome Barbeque, Mountain Run, Biathlon, Sportive Recreational Event, Shorttrack competition and a Closing Dinner will be held. For the Oberstdorf Shorttrack Summercamp skaters from all over the world are invited. The Summercamp is organized by the volunteers of Shorttrackonline.info, the Amsterdam Skating Club Jaap Eden and the Eissport Club Oberstdorf supported by the Sports Office Oberstdorf.

Participation

Participation in the summercamp and shorttrack competition is open to all age categories. All skaters must be a member of a club affiliated to their National Skating Association (member of the ISU) in their own country and have a licence/insurance for the coming season.

Recreational Participants

Family and accompanying friends can also take part in the Off-Ice events in a recreational classification at own risk and responsibility.

Support of parents and family

Parents and family are requested to support with help during all activities and events which will take place during the week.

Website & News-bulletins

All information will be available on www.skatingonline.info. Besides this a special Mobile Website will give urgent messages and the daily program. Please put Mobile website now on your phone for messages.

Helpdesk

The Summercamp helpdesk is situated in the office of the Eissportclub Oberstdorf at the Ice rink. The opening times will be published later.

Meals at ice rink-restaurant "Zoran".

The Ice rink restaurant will serve meals for the summercamp at a special discount price. Information will follow later.

Ice training

Ice training every evening from Sunday to Thursday and in the morning of Sunday, Tuesday and Thursday.

Organizer:	The summercamp and competitions are organized by the volunteers of Shorttrackonline.info, the Amsterdam Skating Club Jaap Eden and the Eissport Club Oberstdorf with support of the Sports Office of the City of Oberstdorf.				
Venue:	The Shorttrack competition will take place at the ice rink of Oberstdorf which is 60x30 meter and has a safety padding of international standard.				
Regulations:	The shorttrack competition will be held in accordance with the latest ISU Regulations and relevant ISU Communications.				
Categories/distances:	Junior-F	on the 1st of July 2022	under 9	333m	500m
	Junior-E	on the 1st of July 2022	09 or 10	333m	500m
	Junior-D	on the 1st of July 2022	11 or 12	333m	500m
	Junior-C	on the 1st of July 2022	13 or 14	500m	1000m
	Junior-B	on the 1st of July 2022	15 or 16	500m	1000m
	Junior-A	on the 1st of July 2022	17 or 18	500m	1000m
	Senior	on the 1st of July 2022	19 or over	500m	1000m
	Masters	on the 1st of July 2022	40 or over	500m	1000m
Classification:	The skaters will be classified according to the number of points awarded in the finals only. There will be an overall individual classification over all distances. In the case of ties, the results of the longer distance will decide between the skaters.				
Awards:	Prizes will be awarded for the Overall classification of the Mountain Run, Biathlon and Shorttrack competition together for the first three skaters in each category.				
Liability:	In accordance with the ISU rules, the organizers accept no liability for injury or damage sustained by competitors, recreational participants, public and/or officials during all training sessions and events of the summercamp. The summercamp, competition programme and announcement are tentative and if necessary subject to change. Corona measures could also causing changes!				

Entry:	Entry must be done by the club-representatives, or by National Associations, through the website www.shorttrackonline.info before Friday 1 July 2022. After this date all clubs receive Email with confirmation and password for the Individual Questionnaire form for every skater and Special Entry form for Recreational Events, meals and Volunteers.
Entry fee:	Entry-fee 245,00 euro pp includes all training, Welcome Barbeque, Mountainrun & Lunch, Biathlon, Sportive Recreational Event, Shorttrack competition, Closing Dinner and Memento. Entry after 1 July is 15,00 euro higher. Entry fee must be paid in cash at check-in.
Special Request:	Clubs are requested to send out the passwords received for the Questionnaires as quickly as possible and help to get the Questionnaires filled in and returned as soon as possible.
Tickets:	All entered skaters get free tickets for the Welcome Barbeque, Mountain Run Lunch, Sportive Recreational Event and Closing Dinner. Family/friends can buy extra tickets for this at a special discount price. Reservations for extra tickets must be made in advance in the special Questionnaire form.

Please pay attention to the following

- it is the intention that all skaters who enter for the summercamp will participate in **all events**
- skaters will be placed into training groups based on level and age (give special requests at entry-form)
- it is not allowed to change training session or group without permission of the Organising Committee.
- all skating participants must have basic competition experience on ice
- during the training sessions the equipment of all skaters must be according to the ISU rules
- for inline activities helmet, gloves and kneepads are obligatory
- before the 1st session the safety padding must be put on the ice by all skaters supported by parents
- after the last training session the safety padding must be taken off the ice by all skaters supported by parents
- during the shorttrack competition all skaters will stay on the ice for one more race to serve as track-steward.

Clinic for officials

During the Summercamp clinics will be held for beginning Starters, Referees, Competitors Stewards, Manual Time keepers etc.. There will be no entry fee for this. The clinics will take place if enough people want to attend. Clinics will take place on Tuesday evening. People who are interested in attending one or more of these clinics can enter for this on the special Questionary form or at arrival on Saturday at the helpdesk.

Oberstdorf is the most southern city of Germany located in the Algäu Region of the Bavarian Alps. The city located at the foot of the Nebelhorn and Fellhorn mountain has 9000 inhabitants and is at an altitude of 813 metres. Public transport in the village is free.

Oberstdorf is famous for its beautiful surroundings, cheap holiday apartments, mountain bike and cycling tracks, a perfect inline-track and Olympic Sport Centre with three top-quality ice rinks. As Oberstdorf is also an Olympic training centre everybody and everything is focussed on serving athletes.

Most famous is the Ski Jumping Stadium with its annual competition at New Year, an international Figure Skating competition for the Nebelhorn Trophy and the Figure skating show which is held every year at Christmas and is televised around the world.
